Chardonnay 2014

An interesting fully ripened Chardonnay wine. On the nose it exhibits tropical aromas reminding of ripe pineapple and banana. Golden color, well balanced on the palate, well ripened, and with a long finish.

Reserve

Color

This is a nice golden yellow wine.

Nose

The nose is filled with ripped tropical fruit such as pineapple, mango and banana.

Mouth

The mouth is fresh and fruity, with nice acidity and some mineral notes. It is mouth-filling, tasty, with good acidity due to the maritime influence, and long-lasting.

It is ideal as an aperitif and to accompany salmon, sea-bass, white meats and Chinese food.

Alcohol:	13,5%
Yield:	12 Ton. / ha.
